

The background of the entire page is a photograph. It shows several bees in flight. In the foreground, three bees are clearly visible, flying towards the left. In the background, there is a wooden structure, likely a beehive, and a tall, modern building with many windows. The sky is blue with some light clouds.

Bees Feed Me

Bees are little,
but they do a big job.
Bees feed you and me.

Without bees, we would
not have apples.

Without bees, we would
not have carrots.

Without bees, we would
not have lemons.

Without bees, we would
not have cucumbers.

Without bees, we would
not have blueberries.

Without bees, we would
not have pumpkins.

Bees help bring us some
of our favorite foods.
Thank you, bees!
